Dear Partners and Friends,

We are pleased to announce a great milestone, that CerebrEX Inc. has formally joined the big family of OMNIVISION Group, one of the world's top ten fabless semiconductor companies. OMNIVISION is distinguished by its advanced proprietary technologies and diversified product portfolio, and among which outstands the advanced touch and display solutions.

We believe this merger will provide us with strong financial support and access to extensive customer networks and supply chain ecosystems, which will enable us to achieve fast and sustained growth.

We want to assure you that there will be no impact on the day-to-day operations. All current contracts will be duly honored, and we will preserve the current design capabilities to drive the development of future product solutions. The existing CerebrEX products will be sold under the OMNIVISION brand, and we will use OMNIVISION Touch and Display Technologies Pte. Ltd., to service your business.

We will continue to provide you with our exemplary service, reliable products and assured capacity. We are grateful for your support and trust in us, and are looking forward to a more prosperous partnership in the future.

Yours Sincerely,

CerebrEX Inc.
